The Hon. Secretary read the operational portions of the Annual Report which is given below:

"It is with great pleasure I present the Annual report of our activities for the year 2010 - 2011 to this august body. As I lay down my office as the Hon. Secretary of the All India Chess Federation after serving the Federation for five and a half years as elected Secretary, this will be my last presentation of the Annual Report for this term which ends on 30th June, 2011. I look back with immense satisfaction as lot of constructive work was done. Mr.N.Srinivasan as President gave valuable guidance and we both along with the other office bearers made a formidable combination to take AICF to greater heights. New initiatives were attempted and successfully implemented. Many players friendly measures were introduced, like

- Reducing player Registration fee from Rs 500 to Rs 250 with a discount of Rs. 50 if Registered before 15th April.
- Reducing Donor entry fee from Rs 15,000 to Rs 7,500.
- Kits/India colours were presented to the players while representing the country in official FIDE tournaments consisting of a track Suite, one pair of Shoes and two T'Shirts.
- USD 10 as pocket expenses per day per player were given for all the official FIDE Championships.
- A special Certificate printed by AICF was presented to players for all Medal winners in Official FIDE Championships, since many organizers give only Medals.
- Cash Awards were introduced to all players winning in official events. Apart from presenting Rs.10 lakhs and one carat diamond ring to Anand, the AICF under the above scheme has so far distributed Rs.10,63,309.00 to the players.

- Prize money was increased for all the National Championships especially for the National A from 2.35 to 4 lacs and National Women A from 1.45 to 2.5 lacs.
- Introduced compulsory live coverage of all National Championships and important open tournaments.
- Coaching program with the help of senior players to children below the age of 15 in all the States.
- The first three finishers in National age group are sent to both Asian and World age group Championships with Govt support. (Previously the winner used to go to World and the runner to Asian)
- Exposure trip was extended to 12 juniors and 12 sub junior players with Govt support apart from the Seniors. Thanks to this, our children are getting to play three tournaments abroad under exposure trips.
- For the first time we were able to convince the Govt to accede to our request to send our Olympiad team 8 days ahead of the start to Dresden for acclimatization and coaching camp.
- We have started sending our senior women players as coaches with our teams, especially age group teams, as many to be handy to our girl children.
- It is only the present team in AICF who were instrumental in getting a kit sponsor for our Olympiad team so that the players were paid between Rs .25 lacs to Rs 5 lacs depending upon their Ratings.
- AICF was bold enough to take on the over age players issue and have taken action against several players.

It is with great pleasure I present the Annual report of our activities for the year 2010 - 2011 to this august body. There were some spectacular performances by our players both at the Asian and World forums. The Federation was very active and a record 114 tournaments were rated by the FIDE of which 6 were International open tournaments. All the National Championships were held as planned and the players were selected to represent India on the basis of the performances in this championships. As a result of all these we have at present 24 Grand Masters (11 till 2005), 71 International Masters, 14 Women Grand Masters (6 till 2005), 16 Women International Masters, 40 FIDE Masters, 18 Women FIDE Masters, 11 Candidate Masters, 4 Woman Candidate Masters, 79 International Arbiters and 55 FIDE Arbiters. We are now ranked 6th in the FIDE ranking list both among men and women. The number of FIDE registered players has increased to 18000 out of which 6538 are rated. The number of players registered with AICF is 8000 (3500 in 2005).

With 32 affiliated units and 13 Institutional members and thousands of subsidiary units functioning under these entities the game of chess is thus spread all over the country which helps the Federation in furthering its cause. The activities from all over India gained momentum as 114 tournaments were rated by the FIDE out of which 65 tournaments were FIDE rated tournaments. Mr.Bharat Singh, Mr.R.M.Dongre, Mr.S.C.Sahu and Mr.D.V.Sundar were instrumental in organizing International Grandmaster tournaments thus making it possible for our players to get FIDE title norms. We should also appreciate the following State Associations for facilitating rating tournaments - Tamilnadu (18), Maharashtra (11), Andhra Pradesh

(7), Kerala (6), Karnataka (5), West Bengal (4), New Delhi (3), Jharkhand (3), Madhya Pradesh (2), Orissa (2), Pondicherry, Rajasthan, Jammu & Kashmir and Uttar Pradesh 1 each making it a total of 65.

The vision of AICF to make India the strongest chess playing country in the world is set to become a reality.

Thanks to the continued support of the Government we were able to provide our players with all possible foreign exposure and also give them intensive coaching under eminent and world renowned chess trainers from abroad.

The list of achievements by our players given below gives an insight into India's emerging stature in the Chess world. For the second year running we won the World Junior Title through Soumya Swaminathan. Our youth team won the Silver in the World Youth U-16 Chess Olympiad. We had a good harvest of FIDE titles this year with 3 GMs, 1 WGM, 7 IMs, 1 WIM and Several Candidate Masters in our kitty.

Coaching camps were held to prepare our players for important official FIDE Championships for the selected players. Apart from this we conducted coaching camps at Chennai (Asian Youth Chess Championship), Chennai (World Junior Chess Championship), Coonoor and Chennai (39th Chess Olympiad 2010), Chennai (16th Asian Games for Men & Women).

To equip our coaches, we had conducted FIDE Arbiter Seminar and FIDE coaching seminar with the help of FIDE and Asian Chess Federation. For both these seminars we had Instructors from abroad to impart knowledge and to conduct the test. Thanks to this we have more number of FIDE Coaching officials and FIDE Arbiters from our Country.

We have stabilized our funds position and we look comfortable. We have saved Rs.2.2 Crores to the end of March 2011 by way of Fixed Deposits and it is our desire to have a very healthy bank balance so that we can increase our chess development programs without any financial constraints.

Decision:

The Annual Report for the year 2009 - 10 was unanimously adopted.

AGENDA 7: To consider and approve the budget for the year 2011 - 2012.

B. Kolkata Open EMD

Decision:

The members acceded to the request of the Alekhine chess club to accept the EMD paid last year by them to organise the tournament this year. As per rules the EMD will have to be forfeited in case the tournament is not organised on the given dates. However, this was done as a special case because of their previous track record in organising International Grandmaster tournaments for several years continuously. Further, it was also made very clear that this should not be cited as a precedent by anyone in future.

C. Letter from Railway Sports Promotion Board

It was brought to the knowledge of the General Body that the Railway Sports Promotion Board, acting on the letter written by AICF about the Railway players participating in unauthorised tournaments, as informed the AICF that action will be initiated against all Railway players in future, who participate in tournaments not authorised by the AICF. Further, they had requested the four players Gurpreet Pal Singh, Ram Prakash, Harish Sharma and Vinod Sharma may be spared off any action.

Decision:

The members noted the contents. However, since a policy decision has been already taken on the issue, there cannot be a different decision for the four Railway players alone. Hence, it was decided not to show any leniency in this regard and the Secretary was directed to implement the decision taken already in the matter.

D. Regarding Cheating in tournaments using electronic devices.

Mr. Bharat Singh wanted stringent measures to curb electronic cheating in all tournaments. After discussion it was decided to form a committee to come with concrete suggestions and the same to be discussed in the next Central Council meeting. The following will be the members of the committee with the Hon. Secretary as its convenor: Grandmaster Dibyendu Barua, IM Sekhar Sahu, Soundara Murthy, Nitin Shenvi, R.M.Qongre.

E. Members praise the outgoing Secretary Mr.D.V.Sundar

Secretary. He recalled how Sundar used to call him at dead of night to do some work at the airport to receive or send players. Some times, he used to sit on my head to get visas for players who have problems. On one occasion there was something very important for AICF to be done in the Ministry. I didn't want to disturb Sundar as his brother-in-law had expired that day. After waiting until 2.30 pm I called and Sundar said "cremation is over, in 15 minutes I will be in the AICF office". Such was his dedication. However, he said that he will try his best to emulate Mr.Sundar and on a personal note he said that he was here because of Sundar".

ANNUAL REPORT 2011 – 2012

Dear Friends,

The new set of office bearers took over the reigns of our Federation with Mr.J.C.D.Prabhakar of Tamilnadu as the President, Mr.Bharat Singh as Hon. Secretary and Mr.R.M.Dongre as Treasurer along with 6 Vice Presidents and 6 Joint Secretaries from 30.06.2011 onwards. Mr.J.C.D.Prabhakar is an ardent Sports lover and a very keen chess promoter. To recall our memory, it was he who lead from the front to honour and felicitate Grandmaster Vishy Anand when he won the World Crown for the first time in 2000. He wanted to see the World Champion as a King and in pursuit of this he donated a Gold plated Silver Crown and a Maze and paraded him on a chariot.

It was indeed a very humbling moment to your Secretary when the responsibility was thrust on him by the members of the All India Chess Federation to which he is grateful. The new office bearers realize that it will take very sincere attempts to match the results of our predecessor Secretary Mr.D.V.Sundar and President Mr.N.Srinivasan who set bench mark in Sports administration. We the new office bearers place on record that we have inherited a treasure in the form of good governance, transparent and vibrant AICF.

With these sentiments, I present the Annual report of our activities for the year 2011 – 2012 to this august body. There were some spectacular performances by our players both at the Asian and World forums. The Federation was very active and 135 tournaments were rated by the FIDE of which 6 were International open tournaments. Apart from this, several children tournaments are organised throughout the Country by various State Associations & Academies particularly for School Children. We organized World Junior Chess Championships at Chennai and Asian Schools Chess Championships at New Delhi. All the National Championships were held as planned and the players were selected to represent India on the basis of the performances in these championships. As a result of all these, we have at present 26 Grand Masters, 76 International Masters, 8 Women Grand Masters, 17 Women International Masters, 43 FIDE Masters, 22 Women FIDE Masters, 14 Candidate Masters, 5 Woman Candidate Masters, 89 International Arbiters and 66 FIDE Arbiters. We are now ranked 8th in the FIDE ranking list both among men and women. The number of FIDE registered players has increased to 23,636 from 18,000 and the number of players currently rated is 8192 as on 01.03.2012. The number of players registered with AICF is 10,108.

I am proud to announce that our Federation is one of the leading National Sports Federations which encourages our players offering huge Prize money by organising various tournaments. For instance, our players were given Rs.2,06,44,505 as prize money during the year 2011 – 2012. Very few Federations can match this.

With 32 affiliated units and 13 Institutional members with thousands of subsidiary units functioning under these entities the game of chess is thus spread through the length and breadth of the country which helps the Federation in furthering its cause. The activities from all over India gained momentum as 135 tournaments were rated by the FIDE out of which 95 tournaments were FIDE rated tournaments. Mr.D.V.Sundar, Mr.Bharat Singh, Mr.K.V.V.Sarma, Mr.R.M.Dongre Mr.S.C.Sahu and Airport Authority of India were instrumental in organizing International Grandmaster tournaments thus making it possible for our players to get FIDE title norms. We should also appreciate the following State Associations for facilitating rating tournaments – Tamilnadu (25), Maharashtra (15), Kerala (9), Andhra Pradesh (7), Karnataka (7), West Bengal (6), Delhi (5), Gujarat (4), Jharkhand (3), Orissa (3), Assam (2), Goa (2), Uttar Pradesh (2), Bihar, Chandigarh, Haryana, Jammu & Kashmir, Pondicherry, Punjab, Rajasthan 1 each making it a total of 95.

The vision of AICF to make India the strongest chess playing country in the world is set to become a reality.

Thanks to the continued support of the Government we were able to provide our players with all possible foreign exposure and also give them intensive coaching under eminent and world renowned chess trainers from abroad.

The list of achievements by our players given below gives an insight into India's emerging stature in the Chess world. We won the World U-12 title through Tamilnadu youngster Karthikeyan Murali. We had a good harvest of FIDE titles this year with 2 GMs, 6 IMs, 2 FMs, 1 WFM, 2 CMs, 2 WCMs in our kitty.

In our endeavor to increase the base of qualified Arbiters & Coaches . We had conducted FIDE Arbiter Seminar at Chennai from 06th to 09th January, 2012 and FIDE Trainer's Seminar at Delhi from 16th to 22nd January, 2012 with the help of FIDE and Asian Chess Federation. For both these seminars we had instructors from abroad to impart knowledge and to conduct the test. Thanks to this we have more number of FIDE Arbiters and FIDE Trainers from our Country.

We have stabilized our funds position and we look comfortable. We have saved Rs.3.10 Crores to the end of March 2012 by way of Fixed Deposits and it is our desire to have a very healthy bank balance so that we can increase our chess development programs without any financial constraints.

We list below our notable achievements during the year that has gone by:

They evinced keen interest and all were motivated by Abundo, who also spoke about the qualities, virtues and requirements for the arbiter titles.

Before the examination on the fourth and final day, there was a revision on all the topics and the participants were benefitted because of it. The examination was conducted in the spacious Hall of Chess in the stadium, where they were seated apart with a sufficient distance between them.

After the exam, the participants assembled in the Conference hall again and both lecturers explained the answers for the questions in the exam.
